

BEACH DE LUX League 2022

Information

What it is...

The Beach de Lux League is a partly self-organized competition format based on personal responsibility, mutual respect and fairness. It consists of 2 phases:

- a) Qualification phase – League mode (7 weeks: 01.05-19.06.2022)
- b) Finals – Final 4 or Final 8 Tournament (Men & Women 02.07.2022 and Mixed 03.07.2022)

Structure & Rules

The maximum number of teams per League is 8, which will require teams to play at least 1 game per week. The teams determine on their own when and where their game will be played. A game is played according to the official rules: 2 winning sets to 21 points (resp. 3rd set to 15), a referee is optional. The result will be communicated after the match in a common WhatsApp group where standings will be updated regularly. The best teams will qualify to the Beach League Finals, a Final 4 or Final 8 Tournament at the beginning of July 2022. If the number of registrations is high enough, 2 or more leagues could be scheduled. In this case teams will be assigned according to their playing level (based on past competition results and/or training performance).

Important Note!

IMPORTANT: When you sign up, we expect you to be regularly available: plan your games in advance, take care of your fitness level and consider all possible circumstances (bad weather, injury, vacations). If you cannot guarantee your availability, don't subscribe and let participate other teams who want to take this competition seriously.

Registration process

The participation price is 15€ (for Members) and 30€ (for Non-Members) per person. One registration per team, only valid after payment of both players! After your registration you will receive a confirmation by mail. Please transfer the amount to our bank account or via Payconiq.

When the registration window closes, you'll be invited to the official BdL League WhatsApp group where further news and updates will be provided. For requests or further information, please contact our Director of Sport (Tel.: +352 621 670 710 or email: contact@beachdelux.lu)
