

## Information

### What it is...

The Beach de Lux League is a partly self-organized competition format based on personal responsibility, mutual respect and fairness.

The leagues will take place from 22 Mai 2023 – 30 July 2023 – no finals will be played.

### Structure & Rules

The maximum number of teams per league is 8, which will require teams to play against 1 opponent per week. The teams determine on their own when and where their game will be played. The teams play 2 whole games against each other. One game is played according to the official rules: 2 winning sets to 21 points (resp. 3<sup>rd</sup> set to 15), a referee is optional. So you play a first and second round against the same opponent directly after one another. The results of both games will be communicated after each match in a common Whatsapp group where standings will be updated regularly. Please submit exact scores for each set. There are no finals, only the overall results of all league matches count for the ranking. So, every win is important.

If the number of registrations is high enough, 2 or more leagues can be scheduled. In this case teams will be assigned according to their playing level (based on past competition results and/or training performance).

### Important Note!

When you sign up, we expect you to be regularly available: plan your games in advance, take care of your fitness level and consider all possible circumstances (bad weather, injury, vacations). If you cannot guarantee your availability, please don't subscribe and let participate other teams who can finish the leagues.

### Registration

The participation fee is 15€ per player for members and 20€ for non-members. One registration per team, only valid after payment of both players. After your registration you will receive a confirmation mail. Please transfer the appropriate amount to our bank account or via Payconiq.

When the registration window closes you will be invited into the official BdL League Whatsapp group where further news and updates will be provided. For requests or further information, please contact us via mail ([contact@beachdelux.lu](mailto:contact@beachdelux.lu)).
